EXPERT CARE

– making our customers' life at sea better

Dear Customer

Welcome to the new 2022 Wrist Catalogue.

As always we strive to create a catalogue that meets the demands of our customers, especially the seafarers.

We hope that our selection and quality of items in this new catalogue, as well as our constant optimizing of sourcing patterns to ensure competitive pricing, enable us to reach our mission; EXPERT CARE - MAKING OUR CUSTOMERS' LIFE AT SEA BETTER.

In the midst of a rapidly changing world, we acknowledge our important role in the supply chain from ordering until safe delivery onboard.

We are proud to be a professional, proactive and reliable supplier and we are proud to be your first choice, and to be of support to you and your colleagues.

The Covid-19 impact, on the international trade and economy, especially the higher freight rates, availability and delays of/for consumer goods, makes this even more important than ever.

We are continuously strengthening and developing our supply chain to ensure that you can still count on us.

In this challenging time, and to honour our commitment to seafarers, we continue to proudly sponsor the 2020 ISWAN awards, in recognition of respect and support for the many women and men who take to the seas every day.

We look forward to continue working together with you as a preferred partner in 2022.

Enjoy

Regards from the Wrist Team

SUSTAINABILITY IS THE NEW RESPONSIBILITY

In the village of Koskenkorva, we're forerunners of circular economy. Our distillery runs mostly on bioenergy, we use our barley fully, even its husks and stalk, and recycle 99,9% of everything. Some call this sustainability. For us it's a way of life. (And yes we're working on that last 0,1%.) Drink sustainably. See the big picture: www.koskenkorva.com
