About us

Wrist is the world's leading ship and offshore supplier of marine provisions and stores with a market share of approximately 12% – and the only provisions and stores marine supplier with a global network of supply operations. Wrist also offers services within owners' goods and spare parts logistics, combining provisions and stores deliveries directly to the vessels.

With the launch of the Source2Sea digital marketplace, Wrist is leading the digital transformation of the marine supply industry. All year round, 24/7 global online sourcing and logistics provide data transparency, automation, and convenience to customers.

Wrist continuously works on reducing its climate impact, while proactively addressing customers' growing demand and need for responsible solutions and services. From more than 30 locations worldwide, in all major shipping locations, 1,800 Wrist employees take pride in making it easy for customers to order and receive marine supplies and services.
