Whatever you want - wherever

SHIP SUPPLY

Wrist is your one-stop-resource for all your stores and provisions. Everything from a specific brand of coffee to a vital ball bearing for the machine room. We serve vessels offshore and in port, whether it is at berth, anchorages or off-port limits.

We stock a wide range of specialist products to satisfy every crew. Of course we can also arrange to stock special items that are regularly needed on request.

“

Wrist stocks just about everything, and delivers just about everywhere in the world. For our customers it really is just a question of when you want your provisions and stores delivered.

## Provisions

Wrist offers a complete range of fresh, frozen and dry provisions that are stocked in our own warehouses containing state-of-the-art refrigeration and freezer facilities. Fruit, vegetables and dairy products are purchased and delivered daily from the market.

## Bonded stores

Wrist stocks a wide range of beers, spirits, cigarettes and confectionary, as well as perfumes, toiletries and an exclusive range of gift items.

Additionally, we offer our customers an extensive range of electronic items, including the very latest models of TV, DVD and stereo equipment. Our range also extends to clothing and luggage items, meaning we can satisfy every need.

## Cabin stores

A complete range of cabin stores is available from all our branches. Everything from soap to bedding and galley equipment is available in a variety of forms. We also equip new-buildings by sourcing equipment from around the world. We ensure that all partners in the purchasing process are satisfied from the procurement departments to the individual seafarers.

## Deck & engine stores

Wrist carries all types of ship accessories and nautical equipment for decks, engines and cabins. Charts, nautical publications, flags and stationery as well as safety equipment, rust removers, brushes, tools and much more are available from our local warehouses. We deliver engine stores, such as tools, bolts, screws, steel as well as heavy machinery and we supply electrical equipment in all voltage ranges to suit any application, from a simple light bulb to the most advanced electronics.
