SHIP SUPPLY

Dear Customer and Business Partner

Jens Holger Nielsen

Welcome to our new 2020 Wrist Catalogue.

As always we strive to create a catalogue that meets the demands of our customers, especially the Seafarers.

We hope that our selection and quality of items in this new catalogue, as well as our constant optimizing of sourcing patterns to ensure competitive pricing, enable us to reach our mission; EXPERT CARE - MAKING OUR CUSTOMERS' LIFE AT SEA BETTER.

In 2020, we expect that the newly stabilized Wrist-Klevenberg merge will strengthen our regional footprint in Europe. We continuously develop our global and regional assortment to extend a uniform product range.

In the midst of a rapidly changing world, we acknowledge our important role in the supply chain from ordering until safe delivery onboard. We are proud to be a professional, proactive and reliable supplier and we are proud to be your first choice, and to be of support to you and your colleagues.

Shipping markets have not fully recovered and with COVID-19, this will go on for a longer period of time. We have been strengthening our supply chain and implementing our pandemic contingency plan to ensure that you can count on us.
In this challenging time, and to honour our commitment to Seafarers, we continue to proudly sponsor the 2020 ISWAN awards, in recognition of respect and support for the many women and men who take to the seas every day.

We look forward to continue working together with you as a preferred partner in 2020.

1053428-T2H	**Bollinger Special Cuvée 75 cl** *The NV Brut Special Cuvee is one of the finest and most consistently delicious entry-level Champagnes, as it is again this year. Brioche, hazelnuts and pears are some of the nuances the flow from this crystalline, pure Champagne. The Special Cuvee is the freshest wine in the Bollinger lineup, and shows only a touch of the warmer, oxidative notes that define the higher-end wines, but it is nevertheless an exceptionally fine, beautiful Champagne. Clean, mineral notes round out the finish. Complex and elegant, evoking ginger, jasmine, citrus and honey aromas and flavors, accented by a biscuit and grain component coming as much from barrel fermentation as from yeast aging.* *It's very firmly structured and long. It's a beautiful Champagne that can be enjoyed with a variety of foods, including Asian cuisine or Parmesan cheese.*	12	bot
