## Providing Expert Care

### Tailor-made Cruise Packages

Wrist understands the requirements of different vessel types and what is needed for specific cruise ships. With the Wrist experience, you can be sure to receive a tailor-made solution matching exactly your vessel type ranging from small-size expedition cruise ships to transatlantic ships.

### Logistics Partner & On-site Support

Wrist Marine Logistics is a world-leading provider of all logistics services to ship owners and ship managers worldwide. Wrist facilitates experienced on-site personal supervision to ensure smooth coordination and on-board delivery at the shipyards.

### Global Presence - Local Excellence

Wrist combines global reach with a local touch. Our people are local and part of a strong supplier network to make sure that customer requests are met most satisfactorily.

### Volume Scale Prices

Benefit from high-volume purchasing and consolidated deliveries to keep prices low.

### General Stores

Wrist's cruise package offers a complete range of stores including technical stores. Everything from cabin, galley, deck, mooring gear, medical, nautical, stationery, engine and electrical equipment is available in a variety of forms.

### Global Assortment

Wrist offers a global assortment ensuring consistency in product quality and pricing wherever you receive your Wrist supplies.

### Own Quality Control

Quality inspections are carried out to make sure that all products meet customer demands. All products can be accompanied by certifications as required (E-smiley, ISO 22000, NSF, ISSA).

### One-stop

With on-site personnel, we are able to arrange last minute requests for provisions, bonded stores, etc - either through own office or through our large network of approved subcontractors at short notice.

Wrist knows the importance of a quality ship supply service that is consistent and the role this plays in motivating seafarers and ensuring their welfare.

## Experienced Cruise Supplier

Being the world's top global provider of ship and cruise supply services, Wrist already delivers to a wide range of cruise companies on a global scale. Wrist has a solid experience in the supply of food and beverages and is specialized in all aspects of storing.

Supplying a cruise ship is like supplying a five star hotel - quality and accurate shipping are crucial factors!

SHIP SUPPLY

## World Wide Wrist

Being the world's largest ship supplier Wrist coordinates global activities through regional centres in North America, Europe, the Middle East and Asia. We offer a global 24/7 service, including handling of owners' goods, shipping, airfreight and related marine services that meet the demands of international organisations as well as local businesses.

Our logistics set-up, including hubs and warehouses globally, is key to ensure coordination and long-time planning of supplies to customers.

From offices around the globe all Wrist staff takes pride in making it easy for customers to receive their supplies – where and when requested – efficiently and at the best possible price.
