

Wrist on Board

Newbuilding Packages

SHIP SUPPLY

Wrist on Board

Providing Expert Care

Tailor-made Newbuilding Packages

Wrist understands the requirements of different vessel types and what is needed for specific newbuildings. With the Wrist experience, you can be sure to receive a tailor-made solution matching exactly your vessel type ranging from sophisticated LNG/LPG Carriers to Bulkers.

Logistics Partner & On-site Support

Wrist Marine Logistics is a world-leading provider of all logistics services to ship owners and ship managers worldwide. Wrist facilitates experienced on-site personal supervision to ensure smooth coordination and on-board delivery at the shipyards.

Global Presence - Local Excellence

Wrist combines global reach with a local touch. Our people are local and part of a strong supplier network to make sure that customer requests are met most satisfactorily.

Volume Scale Prices

Benefit from high-volume purchasing and consolidated deliveries to keep prices low.

General Stores

Wrist equips newbuildings offering a complete range of stores including technical stores. Everything from cabin, galley, deck, mooring gear, medical, nautical, stationary, engine and electrical equipment is available in a variety of forms.

Global Assortment

Wrist offers a global assortment ensuring consistency in product quality and pricing wherever you receive your Wrist supplies. POLAR® Tools - a high quality Scandinavian tool brand - is among other brands part of Wrist's global assortment.

Own Quality Control

Quality inspections are carried out to make sure that all products meet customer demands. All products can be accompanied by certifications as required.

One-stop

With on-site personnel, we are able to arrange last minute requests for provisions, bonded stores, etc. - either through own office or through our large network of approved subcontractors at short notice.

“

Wrist's planning and co-ordination was exceptional and they were involved right from the arrival of stores, stocking the ship and helping the crew arrange the items on board.

It is highly recommendable to have Wrist on board being an integral part of the team. Their performance was much appreciated and valued by everybody.

**Vasanth Subramanien, Fleet Superintendent
Univan Ship Management Ltd.**

“

It was an absolute pleasure to be working with our Wrist contact - he was an integral part of our team and he integrated seamlessly into the operation and treated everyone with respect.

This is not just a 'job well done'; it's a complete project well executed by professionals and a relationship established that we hope will continue for many years to come.

**Mark Cameron, Chief Operating Officer
Ardmore Shipping**

Wrist knows the importance of a quality ship supply service that is consistent and the role this plays in motivating seafarers and ensuring their welfare.

Experienced Newbuilding Supplier

Being the world's top global provider of ship supply services, Wrist is the preferred newbuilding supplier in Asia and has completed more than **300** initial deliveries.

Newbuilding deliveries are offered in all Asian shipyards and with Wrist's local logistics setup, we make sure that your supplies are taken expert care of and delivered on time.
