# WHEN SAFETY IS KEY

## NJORD is our premium quality product line for personal protective equipment with high longevity

The NJORD product line is part of our global assortment and well-established supply chain providing you with a superior delivery compliance – all over the world.

With NJORD you can  
always expect:

- › Protective equipment for maximum safety
- › Premium quality and consistency in products
- › Global availability and standardization

### EXPECT MORE

In Norse mythology, Njord was the patron of seafarers and the god of wind and waters. These characteristics have been transferred to our NJORD product line providing expert care to seafarers when they sail the seven seas.
