- Classic quality products
- Competitive pricing
- Global availability & standardization

### Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

Pontus is a private label of Wrist

# ADJUSTABLE WRENCH

The Pontus adjustable wrench comes with a grinded head tip with a 15° angle for improved flexibility.

The Pontus wrench is manufactured in high strength steel for improved durability. In addition, it is sandblasted and nickel plated for corrosion control.

- > Grinded head tip with 15° angle
- > Scale in mm

- > Sandblasted and nickel plated

Item no.	IMPA code	Size (mm)	Length of blade (mm)	Weight (g).	Max torque (Nm)	Jaw open (mm)
