Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

Pontus is a private label of Wrist

WRENCH SOCKET SET

The Pontus wrench socket set is delivered in a metal case and imbedded in Ethylene vinylacetat (EVA) foam for easy overview and transportation.

The Pontus wrench set is manufactured in chrome-vanadium metal for optimized strength

and durability and is chrome-plated for corrosion control.

The complete set consists of the most commonly used items with spare items available to order at Wrist in case of replacements.

- Chrome-vanadium (Cr-V) metal
- Chrome plated for corrosion control
- Hardness HRC 42-48
