- › Global availability & standardization

Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

Pontus is a private label of Wrist

WISE GRIP PLIER

The Pontus wise grip plier is ideal for tightening, clamping, twisting, and turning. Constructed of high-grade nickel plated steel for durability.

- > Durable
- > Nickel plated for better corrosion control

The wise grip plier has a classic trigger release designed to provide maximum locking force. Hardened teeth are designed to grip from any angle.

- > High quality steel
- > HRC40-48 hardened steel
