GETS THE JOB DONE

Pontus is our standard quality tool line when you need to get the job done – at a fair price complying with general market needs.

The Pontus tool line is part of Wrist's global assortment and our well-established supply chain, providing customers with a superior delivery compliance – all over the world.

When strong performance is key, the Pontus range of products gets the job done.

- Classic quality products
- Competitive pricing
- Global availability & standardization

Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

DIAGONAL CUTTER

The Pontus diagonal cutter comes with a reinforced head for longer durability compared to a standard diagonal cutter.

Suitable for cutting wire, nails, screws and more.

- > HRC40-48 hardened steel
- > Steel type 55#

The diagonal cutter comes in a high leverage design, maximizing the torque that can be applied.

Moreover, the diagonal cutter has hardened cutting edges and insulated handles for improved grip and comfort.

- > Heavy duty
- > Durable

| Item no. | IMPA code | Size (mm) | Size (in) | Weight (g) |
|----------|-----------|-----------|-----------|------------|
| 1468844 | 611721 | 115 | 4.5 | 90 |
| 1468841 | 611716 | 125 | 5 | 190 |
