### Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

# SNIP HAND

The Pontus snip hand is suitable for cutting in metals like copper, aluminum, metal wire, tin, and thin steel plates and items.

The safety lock ensures that the jaw is closed firmly.

- > Chrome-vanadium steel
- > Safety lock

The snip hand has a high leverage design, maximizing the torque.

It has hardened cutting edges for improved durability and insulated handles for optimum grip and comfort.

- > High cutting strength
- > Insulated handles
