Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

Pontus is a private label of Wrist

CHISEL

The Pontus chisel is manufactured with the professional user in mind. The blade is made of high quality alloy-steel with great sharpness and durability.

Moreover, it has been carefully tempered to assure toughness and ample strength.

> High quality alloy-steel
