GETS THE JOB DONE

The Pontus tool line is part of Wrist's global assortment and our well-established supply chain, providing you with a superior delivery compliance – all over the world.

When strong performance is key, the Pontus range of products gets the job done.

- › Standard quality products
- › Competitive pricing
- › Global availability & standardization

Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

PONTUS COMBINATION WRENCH WITH RATCHET

The Pontus wrench comes with a traditional open end and a 12-point ring with a 72-tooth ratchet for better use.

The ratchet side has a 15° angle for improved flexibility making it the preferred wrench for tight spaces.

The Pontus wrench is manufactured in high strength steel for improved durability and nickel plated for corrosion control.

The straight design of the handle with rounded edges ensures improved comfort of use.

- > 12-point ring
- > 72-tooth ratchet
- > High strength steel
- > Nickel plated

Item no.	IMPA code	Size (mm)	Length (mm)	Weight (mm)	Ratchet max torque (Nm)	Open torque (Nm)
